~~An act to amend Section 70900 of the Education Code, relating to community colleges. An act to amend Section 3003.5 of, and to add Section 3003.51 to, the Penal Code, relating to sex offenders, and declaring the urgency thereof, to take effect immediately.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 54, as amended, ~~Walters~~ Runner. ~~California Community Colleges: board of governors. Sex offenders: residency restriction: petition for relief.~~

*Existing law, as amended by Proposition 83 of the November 7, 2006, statewide general election, prohibits any person who is required to register pursuant to the Sex Offender Registration Act from residing within 2,000 feet of any public or private school, or park where children regularly gather.*

*This bill would require that the 2,000-foot residency restriction be measured by the shortest practical pedestrian or vehicle path. The bill would limit the residency restriction to persons convicted of specified offenses. The bill would permit a person who is subject to the residency restriction to petition the superior court of the county within which he or she resides for relief from the requirement. The bill would provide that original jurisdiction for the petition would lie with the appellate division of the superior court in which the petition is filed. The bill would require the petitioner to establish by clear and convincing evidence that there is a pervasive lack of compliant housing in the county and that a majority of sex offenders are unable to comply despite*

*good faith efforts. The bill would require, if relief is granted, that the relief be narrowly crafted in order to substantially comply with the intent of the people in approving the residency restriction. The bill would prohibit a subsequent petition from being heard if relief is granted or denied, unless the petitioner establishes in the petition, to the satisfaction of the court, that circumstances regarding compliant housing have changed, as provided.*

*Proposition 83 permits the Legislature, by a vote of  $\frac{2}{3}$  of the membership of each house and in accordance with specified procedures, to amend the provisions of the act.*

*By amending Proposition 83, this bill would require a  $\frac{2}{3}$  vote.*

*This bill would declare that it is to take effect immediately as an urgency statute.*

~~Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state.~~

~~This bill would make nonsubstantive changes to those provisions.~~

Vote: ~~majority~~ $\frac{2}{3}$ . Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
